

Derivative Rules Map

A standalone decision map for recognizing constant, power, product, quotient, and composition structure.

Revision: 2026-07-23 **Canonical page:** <https://bettergrades.net/subjects/math/calculus/visuals/derivative-rules-map/>

Name: _____ **Date:** _____

Rule-selection sequence

sum $\rightarrow$ linearity
product $\rightarrow (fg)'$
quotient $\rightarrow (f/g)'$
composition $\rightarrow$ chain rule
